### Part D prescription drug coverage

(See Section 2.5 for details.)

- **Deductible:** $505 except for covered insulin products and most adult Part D vaccines.
- **Coinsurance during the Initial Coverage Stage:**
  - Drug Tier 1: 25% of the total cost
  - Catastrophic Coverage:
  - During this payment stage, the plan pays most of the cost for your covered drugs.
  - For each prescription, you pay whichever of these is larger: a payment equal to 5% of the cost of the drug (this is called coinsurance), or a copayment ($4.15 for a generic drug or a drug that is treated like a generic, and $10.35 for all other drugs.).

- **Deductible:** $545 except for covered insulin products and most adult Part D vaccines.
- **Coinsurance as applicable during the Initial Coverage Stage:**
  - Drug Tier 1: 25% of the total cost.
  - You pay $35 per month supply of each covered insulin product on this tier.

- **Catastrophic Coverage:**
  - During this payment stage, the plan pays the full cost for your covered Part D drugs. You pay nothing.
SECTION 1 Unless you Choose Another Plan, You Will Be Automatically Enrolled in Provider Partners Texas Advantage Plan in 2024

If you do nothing by December 7, 2023, we will automatically enroll you in our Provider Partners Texas Advantage Plan. This means starting January 1, 2024, you will be getting your medical and prescription drug coverage through Provider Partners Texas Advantage Plan. If you want to change plans or switch to Original Medicare, you must do so between October 15 and December 7. If you are eligible for “Extra Help,” you may be able to change plans during other times.

SECTION 2 Changes to Benefits and Costs for Next Year

Section 2.1 – Changes to the Monthly Premium

<table>
<thead>
<tr>
<th>Cost</th>
<th>2023 (this year)</th>
<th>2024 (next year)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Monthly premium</td>
<td>$25.00</td>
<td>$28.40</td>
</tr>
<tr>
<td>(You must also continue to pay your Medicare Part B premium.)</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

- Your monthly plan premium will be more if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as creditable coverage) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be less if you are receiving “Extra Help” with your prescription drug costs. Please see Section 7 regarding “Extra Help” from Medicare.

Section 2.2 – Changes to Your Maximum Out-of-Pocket Amount

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. This limit is called the maximum out-of-pocket amount. Once you reach this amount, you generally pay nothing for covered services for the rest of the year.
Cost | 2023 (this year) | 2024 (next year)
--- | --- | ---
Maximum out-of-pocket amount | $8,300 | $8,850

Your costs for covered medical services (such as copays and deductibles) count toward your maximum out-of-pocket amount. Your plan premium and your costs for prescription drugs do not count toward your maximum out-of-pocket amount.

Once you have paid $8,850 services, you will pay nothing for your covered services for the rest of the calendar year.

Section 2.3 – Changes to the Provider and Pharmacy Networks

Updated directories are located on our website at www.pphealthplan.com. You may also call Member Services for updated provider and/or pharmacy information or to ask us to mail you a directory, which we will mail within three business days.

There are changes to our network of providers for next year. Please review the 2024 Provider Directory to see if your providers (primary care provider, specialists, hospitals, etc.) are in our network.

There are changes to our network of pharmacies for next year. Please review the 2024 Pharmacy Directory to see which pharmacies are in our network.

It is important that you know that we may make changes to the hospitals, doctors and specialists (providers), and pharmacies that are part of your plan during the year. If a mid-year change in our providers affects you, please contact Member Services so we may assist.

**Section 2.5 – Changes to Part D Prescription Drug Coverage**

**Changes to Our “Drug List”**

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our “Drug List” is provided electronically.

We made changes to our “Drug List,” which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the “Drug List” to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the “Drug List” are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online “Drug List” to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Member Services for more information.

**Changes to Prescription Drug Costs**

**Note:** If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for..."
Prescription Drugs” (also called the Low-Income Subsidy Rider or the LIS Rider), which tells you about your drug costs. If you receive “Extra Help” and you haven’t received this insert by October 15, please call Member Services and ask for the LIS Rider.

There are four **drug payment stages**. The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

Most adult Part D vaccines are covered at no cost to you.

The costs in this row are for a one-month (30-day) supply when you fill your prescription at a network pharmacy that provides standard cost sharing. For information about the costs for a long-term supply or for mail-order prescriptions, look in Chapter 6, Section 5 of your Evidence of Coverage.

---

**Changes to the Coverage Gap and Catastrophic Coverage Stages**

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

For specific information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your Evidence of Coverage.

### SECTION 4 Deciding Which Plan to Choose

**Section 4.1 – If you want to stay in Provider Partners Texas Advantage Plan**

*To stay in our plan, you don’t need to do anything.* If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Provider Partners Texas Advantage Plan.

**Section 4.2 – If you want to change plans**

We hope to keep you as a member next year but if you want to change plans for 2024 follow these steps:

**Step 1: Learn about and compare your choices**

- You can join a different Medicare health plan,
- *OR*-- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 2.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder ([www.medicare.gov/plan-compare](http://www.medicare.gov/plan-compare)), read the *Medicare & You 2024* handbook, call your State Health Insurance Assistance Program (see Section 6), or call Medicare (see Section 8.2). As a reminder, Provider Partners Health Plans, Inc. offers other Medicare health plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

**Step 2: Change your coverage**

- To change to a different Medicare health plan, enroll in the new plan. You will automatically be disenrolled from *Provider Partners Texas Advantage Plan.*
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from *Provider Partners Texas Advantage Plan*.

- To **change to Original Medicare without a prescription drug plan**, you must either:
  - Send us a written request to disenroll. Contact Member Services if you need more information on how to do so.
  - **or** – Contact *Medicare*, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

### SECTION 5 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on **January 1, 2024**.

**Are there other times of the year to make a change?**

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2024, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2024.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

### SECTION 6 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In **Texas**, the SHIP is called *Texas Health Information Counseling & Advocacy Program (HICAP)*.

It is a state program that gets money from the Federal government to give free local health insurance counseling to people with Medicare. *Texas Health Information Counseling & Advocacy Program (HICAP)* counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call *Texas Health Information Counseling & Advocacy Program (HICAP)* at 1-800-252-9240. You can learn more about *Texas Health Information Counseling & Advocacy Program (HICAP)* by visiting their website [https://www.hhs.texas.gov/services/health/medicare](https://www.hhs.texas.gov/services/health/medicare).
SECTION 7  Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:

To learn more about the program, check with your State Health Insurance Assistance Program.

- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the Texas HIV Medication Program.
