Introduction: This booklet provides a list of Provider Partners Health Plans’ network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Provider Partners Health Plans’ formulary.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 2/01/2026. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside the states: Illinois, Indiana, Kentucky, Maryland, Missouri, North Carolina, Pennsylvania, and Texas, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this directory on Network Pharmacies outside the state you reside or please contact our Member Services at 1-800-405- 9681 for additional information. (TTY users should call 711.)

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact Provider Partners Health Plans.
