# Provider Partners Illinois Advantage Plan Directorio de Proveedores

## Sección 1 – Introducción

Este directorio proporciona una lista de los proveedores de la red de Provider Partners Illinois Advantage Plan. Para obtener información detallada sobre su cobertura de atención médica, consulte su Evidencia de cobertura (Evidence of Coverage, EOC).

Puede utilizar el directorio para encontrar proveedores y centros que se encuentran actualmente en nuestra red. Puede buscar por estado, especialidad, nombre de plan y condado. Debido al tipo de plan que es Provider Partners Illinois Advantage Plan, no se requiere una derivación para ninguna cita.

Tendrá que elegir uno de nuestros proveedores de la red incluidos en este directorio para que sea su proveedor de atención primaria (**P**rietary **C**are **P**rovider, PCP). Generalmente, debe recibir sus servicios de atención médica de su PCP. Provider Partners Illinois Advantage Plan es una Organización para el Mantenimiento de la Salud (Health Maintenance Organization, HMO) con un Plan de Necesidades Especiales Institucional (Institutional Special Needs Plan, I-SNP). Dado que somos una HMO, es necesario que seleccione un PCP mientras está en el plan. Comuníquese con un proveedor para determinar si acepta nuevos pacientes.

Los proveedores de la red incluidos en este directorio han acordado proporcionarle sus servicios de atención médica. Puede acudir a cualquiera de nuestros proveedores de la red incluidos en este directorio.

En ciertas circunstancias, los miembros pueden obtener servicios de proveedores fuera de la red. Los miembros recientemente elegibles que estén recibiendo tratamiento bajo la atención de un proveedor fuera de la red en el momento de la elegibilidad pueden continuar obteniendo servicios de ese proveedor hasta que la atención del miembro se transfiera de forma segura a un proveedor dentro de la red. Los proveedores fuera de la red con miembros bajo un plan de tratamiento actual deben notificar al plan de salud y solicitar la autorización para los servicios, según corresponda, de acuerdo con los beneficios del plan. Una vez que se notifica al plan de salud que el miembro recibe atención de un proveedor fuera de la red, el proveedor debe enviar una solicitud de autorización. Se debe proporcionar toda información clínica de respaldo para justificar la continuación de los servicios solicitados. Durante este tiempo, la atención en curso no se interrumpirá hasta que se revise la información clínica para determinar su necesidad médica y adecuación. En el caso de que no haya un especialista de la red disponible para el miembro, se puede acceder a un proveedor fuera de la red a discreción del PCP.

Cuando reciba una factura de un proveedor fuera de la red, no debe pagar la factura y debe enviarla al plan para su procesamiento y la determinación de la responsabilidad del afiliado, si la hubiera.

Debe utilizar proveedores de la red, excepto en situaciones de emergencia o de atención de urgencia. Si recibe atención de rutina de proveedores fuera de la red, ni Medicare ni Provider Partners Illinois Advantage Plan serán responsables de los costos.

La atención de emergencia siempre se puede obtener dentro o fuera del área de servicio por parte del proveedor disponible más cercano. Cuando esté en el área de servicio, debe usar los proveedores del plan para recibir atención de urgencia. Cuando está fuera del área de servicio, puede recibir atención de urgencia del primer proveedor disponible. Además, cuando esté fuera del área de servicio, puede obtener tratamiento de diálisis de cualquier proveedor de

diálisis calificado.
